Usul Fiqh and Its Application In Islamic Finance (2022)

This book presents the application of usul fiqh in dealing with complex Shari'ah issues in modern Islamic finance. This book is unique with a simple presentation of the theory of usul fiqh so its topics can be understood by those who have no formal Shari'ah academic background. On top of that, since this book deals with various issues in the area of Islamic finance, it provides a practical discussion. Thus, it is highly recommended that this book to be a reference for lecturers, practitioners, students, and the public who intend to deepen their knowledge in usul fiqh and its application within the Islamic finance.
